

Placement Video Guidelines

Placement videos will help us to assign students to the appropriate classes and ensembles. Do your best, no camper will be turned away!

Note: videos can be made using a smartphone.

All submitted videos should include the following:

1. Introduction yourself by telling us your name, school, grade, and instrument
2. Introduce and play the appropriate scale(s) (see guidelines below).
3. Introduce and play an excerpt (at least 30 seconds) of a piece of your choosing.
